Dear Mr. Halper:

Congratulations to you and Team Mountain Fitness for raising nearly \$1,800 on behalf of the Multiple Sclerosis Society. As you know, multiple sclerosis is a debilitating disorder that has no known cure. Your participation in the Coast-to-Coast 25-mile bike ride and the money your team was able to raise are important steps in the fight against multiple sclerosis.

Again, I commend your willingness to contribute your time and talents to the community. Your spirit of service is an inspiration to others.

Sincerely,

Denise Coyle  
Assemblywoman District 16
